いつも使っていたGペンを違うメーカーに変えました。変えたら自分ではかなりお気に入りの線に今のところなってるんですが、この巻はまだ前のままなので、ああもうなんでこんな線引いとんじゃ～と思いながら直してます。ちなみにGペン変えた話はまだずっと先の話数です。

グロッケン＝シュプール大帝
Glocken spiel

鉄琴のことです。グローリアー帝国の王で、魔族への対策で消極的とも思えるホルン様と衝突、反対をおして単騎北の都へ向かったのは、戦闘力の高い攻撃的国家ゆえの自信からだ。妖精の力を借りたその能力はかなりのもの。ケストラーにあっさりやられてしまったが、それはケストラー自身が強力だったということで、実際にはスフォルツェントと肩を並べるほどの伝統的な大国。グロッケン王にしても剛の者で　先の大戦で体の半分を失うも火の精霊たちにその体をつぎなってもらっている。ちなみに北の都へは、彼ら妖精の加護を受けている者だけが通行できる"妖精の通り道"(世界に何か所かある)を通っていった。

ハープ・シコード
Harp Sichord

帝国グローリアーにあって最強の近衛師団長。これまたケストラーに倒されてしまったが、実際はグロッケン帝もいうとおり魔界軍王にも勝る強さを持つ。妖精の力を使った精霊武具（スピリット　アーツ）なる技を使う(本当はちゃんと描きたかったけど　)。スフォルツェントのクラーリィとは対立関係にあり実際に戦わせてみたかったが、実力は五分五分くらい、若干シコードが強いかな。10回戦ったら6勝4敗といったところ(でも勝負は時の運ゆえ、どうなるかわからない　)。沈着冷静でかなりもの静かな男。笑うことをめったになく、部下たちもそれを見たことがない。クールというよりはサイレントな男。しかしこの2人、"ハーメルンのバイオリン弾き"はしまって以来初めて"ギャグをやらんで死んでしまった男"たちになった。それはそれで幸せだったのかもしれない。

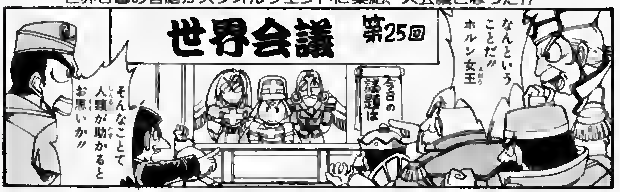
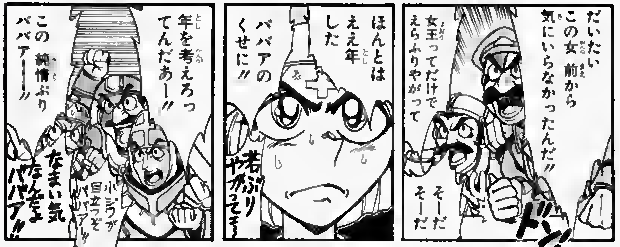
世界会議編!!

大魔王ケストラーがついに復活!? 人類未曾有の危機という時代に
世界各国の首脳がスフォルツェンドに集結、大会議となった!!





前巻のあらすじ

リュートと魔界軍王の戦いはつづく。戦いのなかで明らかになった魔界軍の目的とは、リュートその人であった。魔物とはいえ寿命はある。その魔物たちに永遠の命を与えていた大魔王ケストラーがパンドラの箱に閉じこめられた今、そのかわりとなる魔人の血＝聖杯を必要としていたのだ。

リュートと異法王ベースの一騎討ちがはじまる。魔界軍王の長の攻撃に、さしものリュートも剣を破壊され、両腕が折れてしまった。最後の魔法＝聖魔炎滅は、ベースの体をふきとばしたものの、すでに崩壊しつつあった部分を消滅させただけで、ベースの頭部は無傷だった。

リュートを助けようとする魔法兵団のまえに現れたのは、オル・ゴールだった。その腕のなかには、人質となったフルートが……。戦う術をなくしたリュートは、ベースに魂をうばわれてしまった。さらに、フルートに凶刃がせまる！

その時、リュートが飛んだ。残っているはずのない生命をふりしぼり、フルートをホルンの腕にとりもどすと、リュートは息絶えた。

★――――★――――★

ヴォーカルとの戦いに勝利をおさめたハーメルたちが、さらに北をめざしていたころ、北の都では、ホルンの制止をきかず出陣したグローリアー帝国兵の屍が累々と横たわり、グロッケン大帝とハーブ・シコードが玉座のまえにひきすえられていた。……そう、大魔王ケストラーが復活していたのだ！

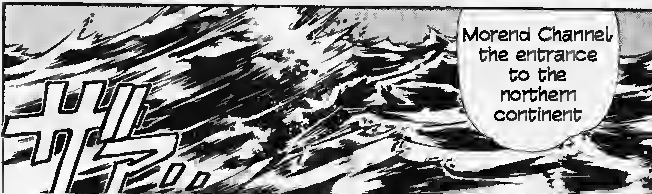
What a strong storm ...
Hmm ...
We must be at
Such a fierce northern wind...

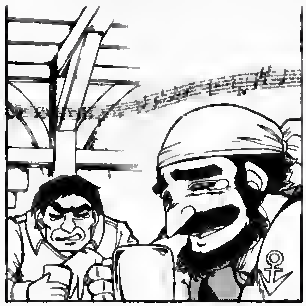


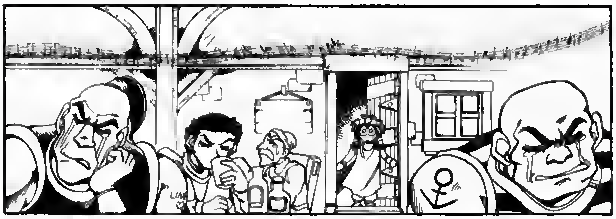
Morend Channel, the entrance to the northern continent

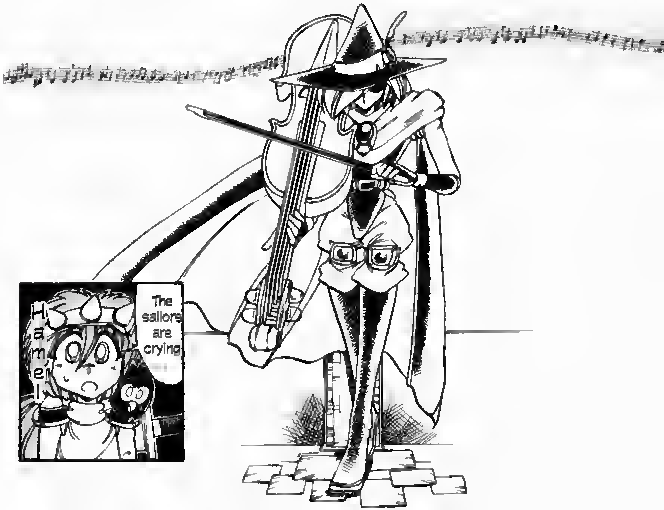
It's a place that denies the entry of all life ...
but even more so
From this point on, we are in Mazoku lands ...
We will need all our might
It will be very hard ...
This is where it really begins
The sailors call this place the Channel of Despair ..
Beyond it lies the Continent of Despair
Easter Bend ...

That is why ...
No ship will sail from this harbor
Now that you say it
there are ships here
but they seem empty
This city has no spirit
It's desolated
There's no helping it. Being so close to the Continent of Despair...
...That explains it
What!? You want a ship to go to Easter Bend!
Don't joke about that!
You must be crazy!

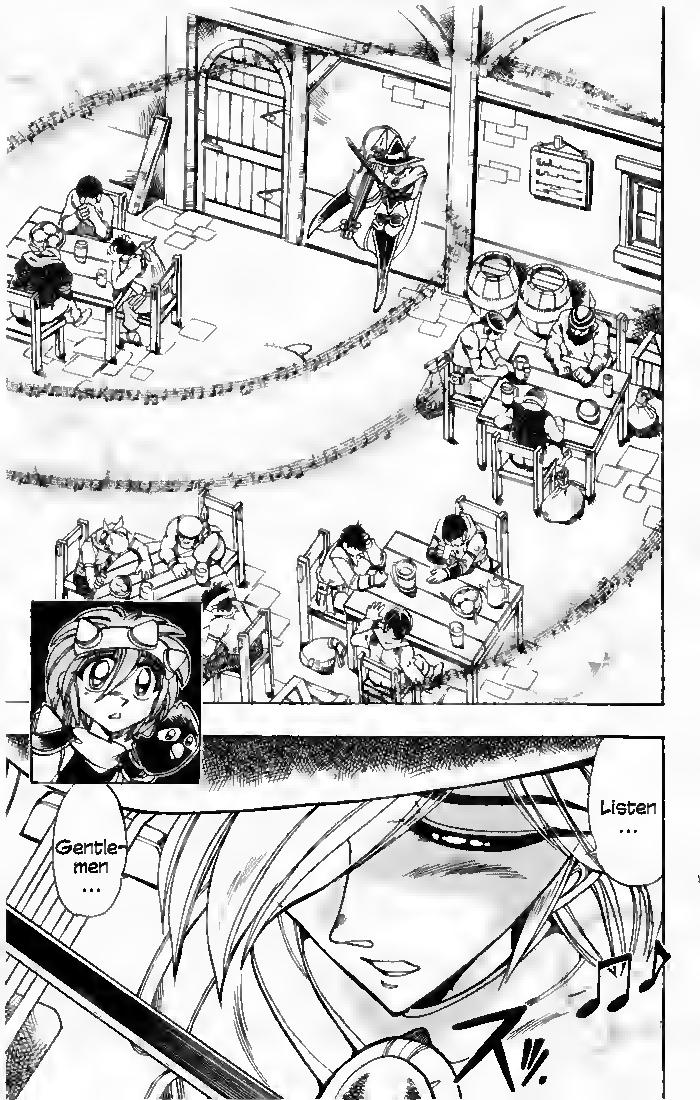
You idiotic brat!
You won't find any man willing to take his ship there
Go away or we'll beat ya!
It isn't the kind of place you can visit and walk away from
It isn't just a nest of Mazoku. The living dead walk on that land
It's hell!
No one ...
Yes... There isn't anyone willing to take us there
A violin?
It's unlikely ...
Maybe Hamel and-
Eh?





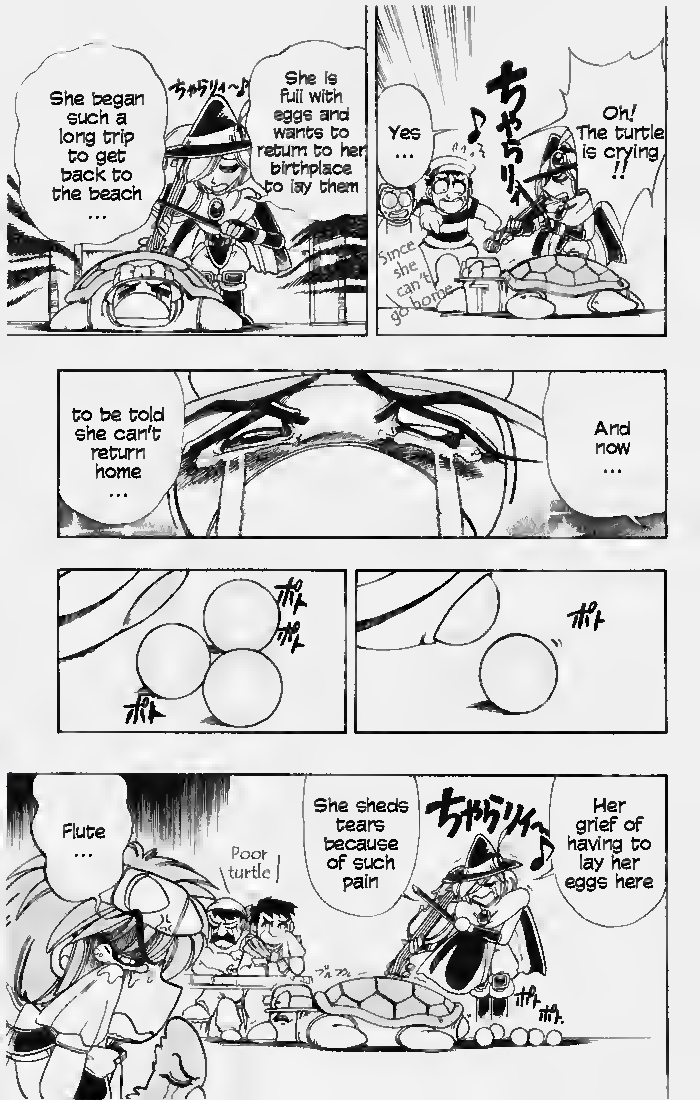


Hamel
The sailors are crying



Gentle-
men
...
Listen
...

ちゃらり♪
This sea turtle got lost and can't return home.
I promised I wouldn't cry anymore...
Her birthplace is a beach near Easter Bend ...
Mother... Brother... I want to see you...
Flute
キラキラ。



She began such a long trip to get back to the beach ...
ちゃらりぃ~♪
She is full with eggs and wants to return to her birthplace to lay them
Yes ...
ちゃらりぃ♪
Oh! The turtle is crying !!
Since she can't go home
to be told she can't return home ...
And now ...
Flute ...
Poor turtle
She sheds tears because of such pain
ちゃらりぃ♪
Her grief of having to lay her eggs here

That's a sad tale
and we understand her feelings but...
I don't want to die
To go to that place ...
Hamel! You're killing me!!
Please! Somehow!
Lend her your power and take her back to Easter Band!
So that's what this is about

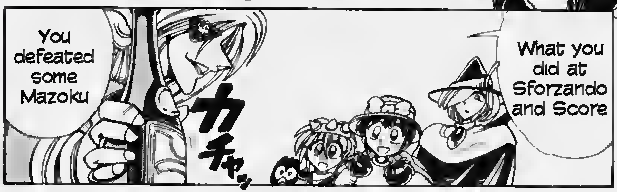
It's just an excuse to find a ship
By what I gathered from your speech ...
Could gather?
You can't trick a vetern sailor
It's no use lying to us
I heard such tales before
スチャ..
If only that guy wasn't here...
That plan could have worked

The truth is...
Everyone please listen!
This is the Hero Hamel
I'm sure they would have understood our reasons!
Ooh, the turtle talks!
The eggs are still falling too
See Hamel! This is why I said to tell them the truth!

In order to defeat the Mazoku
And we are journeying to the Northern capital
Is on the brink of a great crisis!
Currently, all of humanity, no...the whole world...

We will put a stop to the massacre and destruction!
I have pledged my life to it
They're still falling
We all ...
We have to get there
Please
Take us to Easter Bend
Please !!
I'm begging you!

I've already heard about you
So you are heroes
Ah... I see
I knew when you came in
コト。



You defeated some Mazoku
What you did at Sforzando and Score
カチャ。

What?
Even so, I can't take you ...

I'm not a turtle!!
But I didn't know there was a turtle in your party

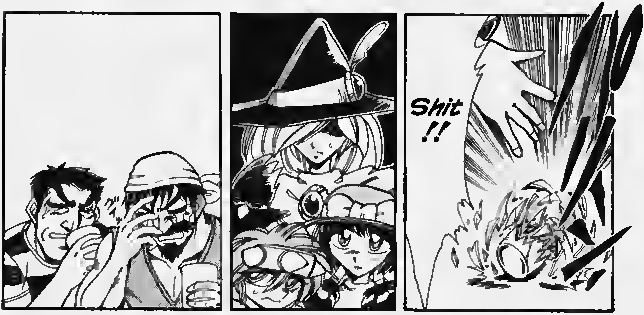
I'm sure you know why
I guess we can't help it ...
They don't do anything other than drink.
The seamen became cowards
But all the men here are much too scared.
I know it sounds pitiful
They say it is a place worse than hell.
Who knows how many thousands of Mazoku live there ...
All the humans that live there are no better than corpses. Their suffering is unending.

There's also that huge earth-quake
Easter Bend ...
That is why we call it the Continent of Despair
It's like something dreadful happened
トクトク
And that storm following it...
Being reborn ...
Almost like ... That Great Demon King Kestra

The influence of King Kestra... It's reached this far already
We won't go back to the sea!
And that's why

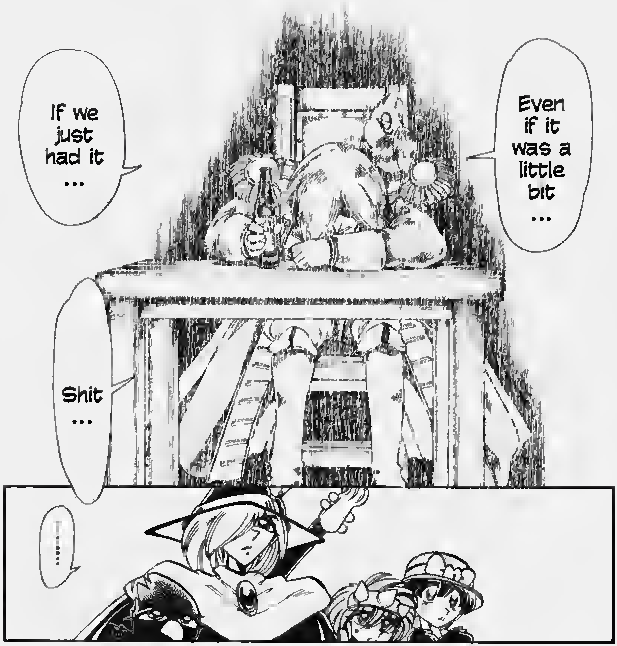
No matter how much we want to!!
but we still can't go out!
We are seaman ...
ガン
ガン

All we can do is drink this cheap sake all day !!
We're scared of all those Mazoku



Shit !!

You didn't listen to me at all!
All for the sake of a sea turtle
Wanting to go to that terrible place
You guys are great!
You must be some happy sea turtle ...
Cut it out already !!
She's still laying eggs
Ooh
They still don't know the truth?
If we only had your courage
If only ...

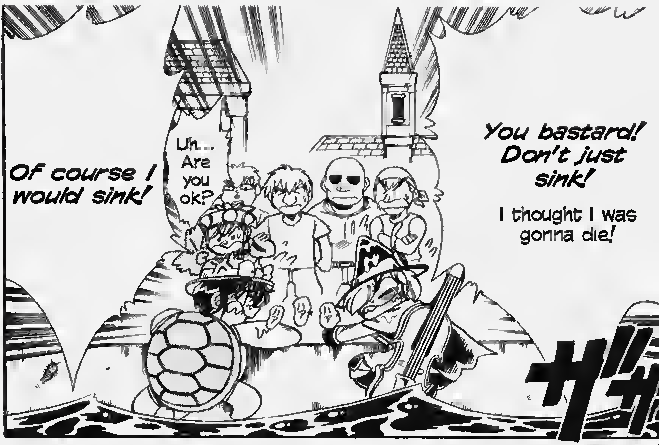


If we just had it ...
Even if it was a little bit ...
Shit ...
.....

We can't force you to go
Eh?

There's nothing to help it...
I see ...

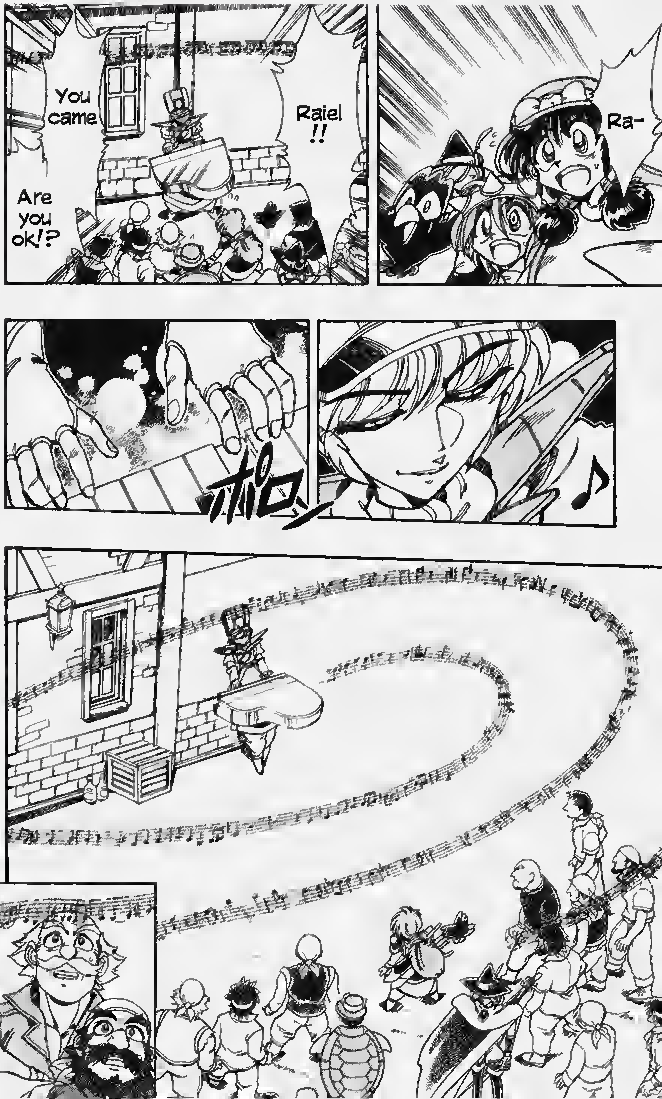
Let's go ...
Flute ...
Y-you Jerk!!
To the north!
Bastard! It's not like I want to go!!
Hamel please ...



Of course I would sink!
Uh... Are you ok?
You bastard! Don't just sink!
I thought I was gonna die!

Is this ...
What!??
Uh?
How could you think I-...
Eh?
If it's courage that you want ...

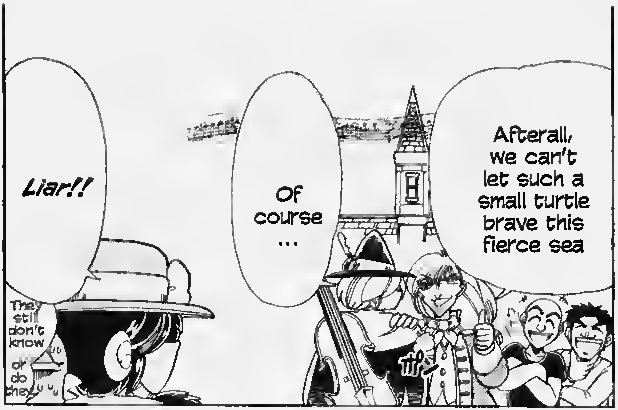
Would this piano ...
Suffice?



You came
Are you ok!?
Raiel !!
Ra-
ポロン

This music gave courage to the seamen
One of Russia's folk songs
Eh ...
This is the song of the Volga Boatmen
and face the dangers in their sea of ice
to sail on the perilous ocean
Let's do our best for our wives and kids !!
I'll do whatever it takes !!
Yes !!
When we think of how crushed we just were, it seems like a lie
My courage is back
It is a man's song
I can feel my spirits rising
Ooh
Yes

We're ashamed of our own cowardice ...
Sorry, Mr. Hero ...
Really !?
And I will personally take you there
Ah ...
We will let the ships out



Liar!!
They still don't know
or do they...
Of course ...
Afterall, we can't let such a small turtle brave this fierce sea

I wonder why he was so rushed ...
But... Hamel...

What is happening?

Rael
Hamel
...

Hitting Hamel?
Why are you...
N-no
Why is Rael...
Rael! you...
Why don't you fight back
And Hamel

Why ...
Ha-chan ...
You ...
were ...
there ...

You let ...
Sizer-san ...

Raiel ...
So... Raiel ...!
He knows
Yes ..
Hamel
The spirits told me
every-thing ...

The spirits saw her flying
Sizer's soul ...
They stole
and her wings turned black

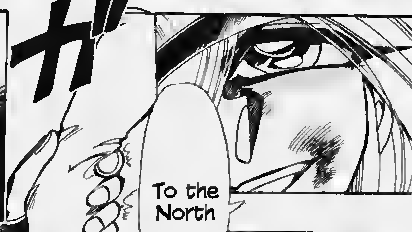
I know ...
Sorry ...
I'm sorry
but ...
フル..
That it isn't your fault, Ha-chan

I just couldn't help it ...
I'm sorry I beat you up ...
I'm really sorry
!!
I didn't give up yet

I can't give up
Before we go to the north
I will help Sizer
No ...
I will make sure to help her
I promise

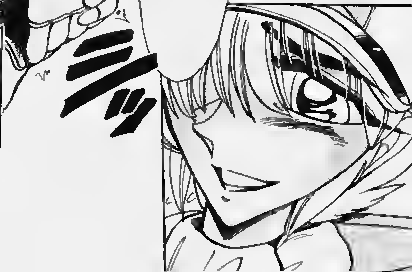
Ha-chan ...
Ha- ...
I see, so that's why you would go north at any cost
Even if you had to ride a turtle
Now that I think of it,
Flute
Hame!
Hame!

It seems like they are friends again



To the North

Did you say you're looking for a woman with black wings?



You know her!?
Eh!?
Wha...
Well... a few days ago...
It was a stormy day
I looked at the sky and...
I saw 8 shadows going north, towards Easter Bend
One of them had pitch-black wings and held a huge scythe
Her eyes were colder than ice...
Aren't those Mazoku??

Hah
hah
hah
hah

I'm still not complete ...

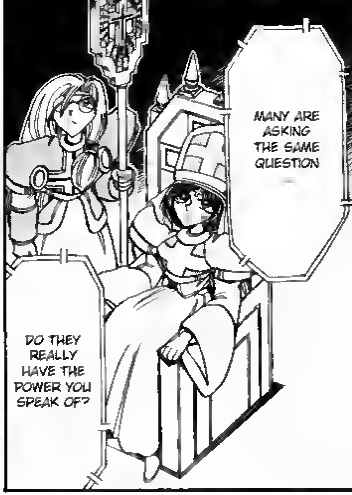
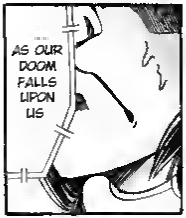
QUEEN HORN...
ハッ

AFTER A LONG DEBATE
WE DECIDED TO COMPLY WITH YOUR RESOLUTION...
FROM NOW ON, ALL THE NATIONS
WILL CEASE ALL OUR ATTACKS ON THE MAZOKU!
WE ARE TO SILENTLY WATCH OUR GUARDIAN HEROES...
WE DECIDED THAT, ESPECIALLY IN LIGHT TO THE REPORT THAT SAID THAT THE GLORIA EMPIRE WAS ANIHILATED
THE SAME GLORIA EMPIRE THAT WAS VERY MILITATISTIC AND STRONG...
THE MAZOKU'S POWER IS ABSOLUTE WE CAN'T HOPE TO DEFEAT IT AS WE ARE
WE WILL STAND AND WATCH THEIR PROGESS...
...MOST COUNTRIES...
ARE DISATISFIED WITH THIS DECISION!!
BUT...

DO THEY REALLY HAVE THE POWER IT TAKE TO BATTLE THE MAZOKU?
IT'S FINE IF YOU BELIVE IN THEM



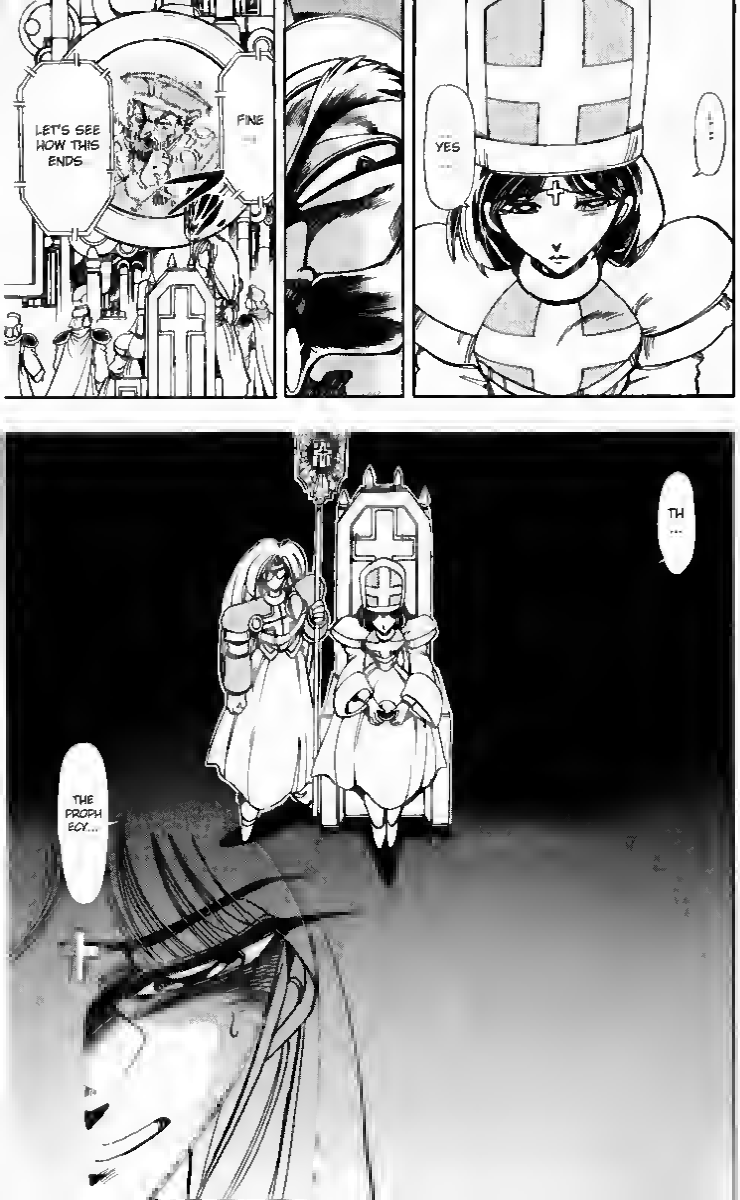
MANY ARE ASKING THE SAME QUESTION
DO THEY REALLY HAVE THE POWER YOU SPEAK OF?



AS OUR DOOM FALLS UPON US

MOST THINK THAT YOU ARE JUST WATCHING
BUT MANY DISCORD

ARE THEY REALLY ...
... OUR LAST HOPE !!?



LET'S SEE HOW THIS ENDS
FINE

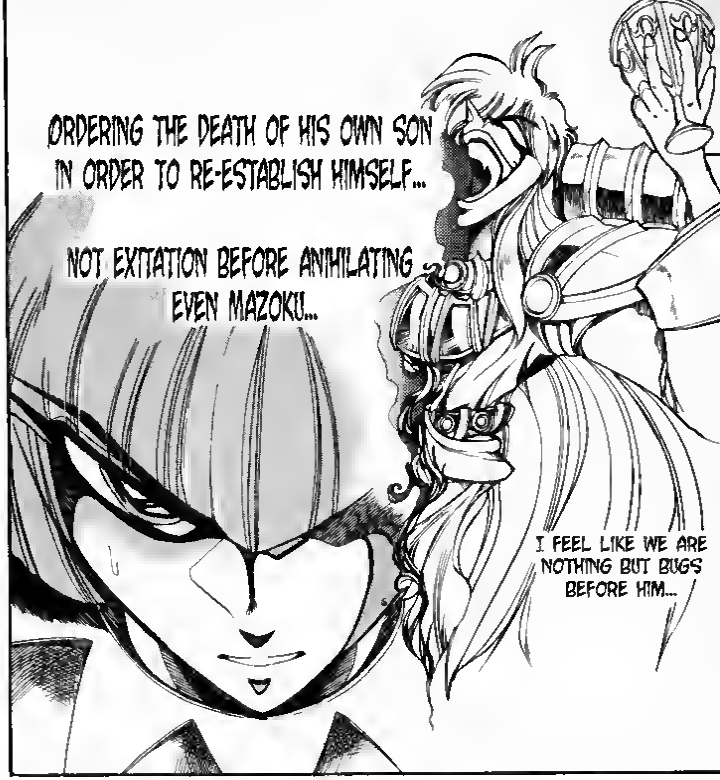
FU FU FU... IF YOU DON'T HURRY...
WHAT ARE YOU WAIT-ING FOR?



ORDERING THE DEATH OF HIS OWN SON IN ORDER TO RE-ESTABLISH HIMSELF...
